Where the Love of Christ is Proclaimed, Shared & Felt

March 30, 2016

A Message from Pastor Mark...

How do you greet each day? I sometimes look in the mirror and think, "There is that same old face and today will be just like every other day." Why should we expect today to be any different? It's pretty easy to fall into a routine, almost as if each day is predetermined to be like those that have preceded it.

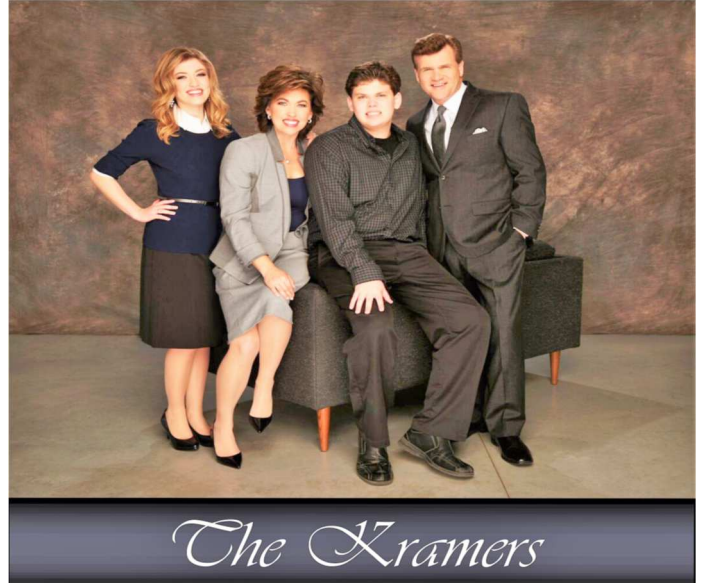

But Wait! Paul tells us not to think that way. Because Jesus lives, each day is new and fresh. "just as Christ was raised from death by the glorious power of the Father, so also we might live a new life" (Romans 6:4). New life! Not the same old thing, but we can live each day as a new day.

Because Jesus lives we can also be new, fresh, and free. By the glorious power of God we are able to make a new start each day, unshackled by the mistakes of the past. If you were a grump yesterday, you don't have to be a grump today. If you were too busy for your family and kids yesterday, you don't have to be that way today.

And the best news is that God doesn't hold yesterday against us. God is more interested in empowering you to live new life in Christ today. So don't let that old, tired face in the mirror tell you this is going to be another "routine" day. Look it in the eye and say: "I am alive in Christ. By the power of God, today is a fresh, new day. With the Spirit's help I will do my best to glorify God today. Thank you Jesus for the refreshing opportunity that comes with this unexplored day."

Because Jesus lives, all things are made new. Enjoy your new life in Christ.

founding member, Willie Wynn. They've been invited to share at the Gaither Fall Festival and the National Quartet Convention. Rachel West Kramer sang at the National Prayer Breakfast in Washington, D.C. with President George W. Bush and First Lady, Laura Bush in attendance. Rachel has also sang solos and duets in the modern oratorio, "Saviour" with Larnelle Harris and Steve Green. Rachel and Maria have also provided music on four Holy Land trips to Israel.

The Kramers are currently producing their first family project (11 songs) with an expected release date in the 1st quarter of 2016. The project, entitled "Revive Us Again," includes several of Nashville's finest musicians, arrangers, producers and audio engineers. It features a wonderful collection of inspiring hymns and southern gospel classics.

Rachel West Kramer has released 5 solo CD projects including the critically acclaimed release, "Majestic Glory" (January, 2015), which features 10 new arrangements by world-renowned arranger David T. Clydesdale and music performed by The Nashville String Machine.

For 20 years now, The Kramers have hosted the popular RiverLife Gospel Music Cruises aboard the Spirit of Peoria Riverboat along Peoria, Illinois' beautiful riverfront. Scott also produces and co-hosts the Good News Music Radio Program & Concert Series with Gaither Homecoming Artist, Woody Wright – which is currently airing in 32 states and 11 countries.

Traveling with The Kramers is their son, Weston (16 years old). At age 2, he was diagnosed as having autism. The Kramer family is grateful for his special life and the unique ways in which the LORD uses Weston in and through their lives and ministry.

People are uplifted by this family's genuine passion for the LORD, for the Word of God and for others to know true freedom in Christ.
