I am excited to be a part of Chi Alpha and to share with you the exciting things that Jesus is doing on our campuses and around the world! I would like to personally thank all of you who support, sacrifice and believe in the calling that God has placed on my life. I wouldn't be here without you. What a tremendous blessing it is to team up with you in sharing the Message of Jesus to the lost!

MY STORY:

I was born and raised in Danville, Il. and throughout my childhood I had never met God. In 2005, I enrolled in Southern Illinois University,

Carbondale (SIUC) to study Psychology. When I first came to SIUC, I was empty and looking for meaning in my life. I knew there was more to life than what I was experiencing. *Through the SIUC Chi Alpha, I met some students who were different from any other students I had met on campus.* I knew they were different because they all had a personal relationship with Christ. Through Christ in them, I was convicted and challenged to know Him personally. I started attending church and eventually met Jesus!!! At this time, I asked for forgiveness of my sins and then asked Christ to come into my heart and start living my life for me. From this day on, I have lived a supernatural, glorious life with Jesus.

I have been touched by Christ in so many ways, and have had the privilege of witnessing other students' transformation by His love. In 2009, I felt God's calling to serve Jesus through Chi Alpha Campus Ministries, in hopes of loving people the way that Christ loves me. Throughout the years, God placed an incredible love in my heart for internationals.

MY ROLE ON CAMPUS (in the past):

1. Leading Morning Prayer
2. Discipleship Leader
3. Director of International Ministry
4. Assisting with Outreach
5. Leading the Women's Bible Study

WHAT IS CHI ALPHA?

The Name – “Chi Alpha” comes from the Greek *christou apostoloi*, meaning “Christ’s sent ones.” In the Bible, the apostle Paul wrote in 2 Corinthians 5:20, “Now then, we are ambassadors for Christ, as though God were pleading through us: we implore *you* on Christ’s behalf, be reconciled to God.”

Chi Alpha was founded in 1953 and is on over 300 campuses throughout the U.S. and around the world today.

- We reach the college campus to:
 1. **Protect** Our Youth: the transition from high school to college can either be fatal to faith or a moment that launches a young person’s ministry. Chi Alpha provides training, discipleship and mentorship to young believers in order for them to excel on campus.
 2. **Impact** Future Leaders: today’s students are tomorrow’s teachers, businessmen, celebrities, and world leaders. Chi Alpha targets these future leaders with a message that is both passionate and intelligent.
 3. **Reach** Over 700,000 International Students and Scholars: Chi Alpha helps student groups and churches make cross-cultural connections that result in global kingdom advancement. *Reach a leader and influence a nation.*
